2018 – 2021 · Grade: B+

CERTIFICATIONS

Foundations of UX Design

Coursera · Feb 2023

Motion Design with Figma

Udemy · Jun 2024

PROFESSIONAL SUMMARY

Senior UI/UX Designer with 5+ years crafting intuitive, user-centric interfaces across mobile and web platforms. Expert in building scalable design systems, leading end-to-end product design, and bridging the gap between design vision and engineering execution. Dedicated to creating experiences that are as elegant under the hood as they look on screen.

WORK EXPERIENCE

Senior UI Designer

Current

bebo Technologies Pvt. Ltd Aug 2024 – Present

- Led UI design strategy for multiple mobile and web products in a high-velocity agile environment.
- Architected and maintained scalable design systems in Figma using variables, tokens, and constraint-driven components.
- Drove cross-functional collaboration between design, product, and engineering to ship pixel-perfect interfaces.
- Established design QA processes, reducing implementation inconsistencies by standardizing component handoffs.

UI/UX Designer

1 yr 4 mo

ConnectedStars Pvt. Ltd Apr 2023 – Jul 2024

- Owned end-to-end UX for mobile app and web projects from discovery through final delivery.
- Built structured design systems with reusable components, reducing design-to-dev turnaround by 30%.
- Conducted user research, wireframing, and interactive prototyping to validate product decisions early.
- Partnered directly with developers to ensure accurate implementation of design intent.

User Interface Designer

5 mo

Crestbell Support Private Limited Nov 2022 – Mar 2023

- Designed responsive UI layouts for client-facing app and web development projects.
- Created component libraries with design constraints that maintained brand consistency at scale.
- Collaborated with development teams to translate wireframes into polished, production-ready interfaces.

Graphics & UI Designer

1 yr 5 mo

Good Learning Software Solutions Jun 2021 – Oct 2022

- Delivered UI and graphic design solutions across software, web, and marketing projects.
- Designed email templates, marketing collateral, and brand identity assets for diverse clients.
- Developed reusable design system components to accelerate delivery across multiple projects.
